

Press release

Regione Calabria will be present from 7 to 9 March at the ITB in Berlin.

The overall tourist offer will be presented, to make international buyers aware of the Four Season opportunities in the region; from naturalistic tourism to outdoor activities, ranging from rafting along the longest gorges in Italy, to climbing, up to water sports, passing through air sports.

In Berlin the Calabria of the villages will be told, a destination to be discovered slowly: on foot thanks to paths and ways, by mountain bike along the Ciclovia dei Parchi.

We will unveil a journey that goes from the mountains to the sea and vice versa, along the wonders of 800 km of coastline, to discover an extraordinary Calabria.
